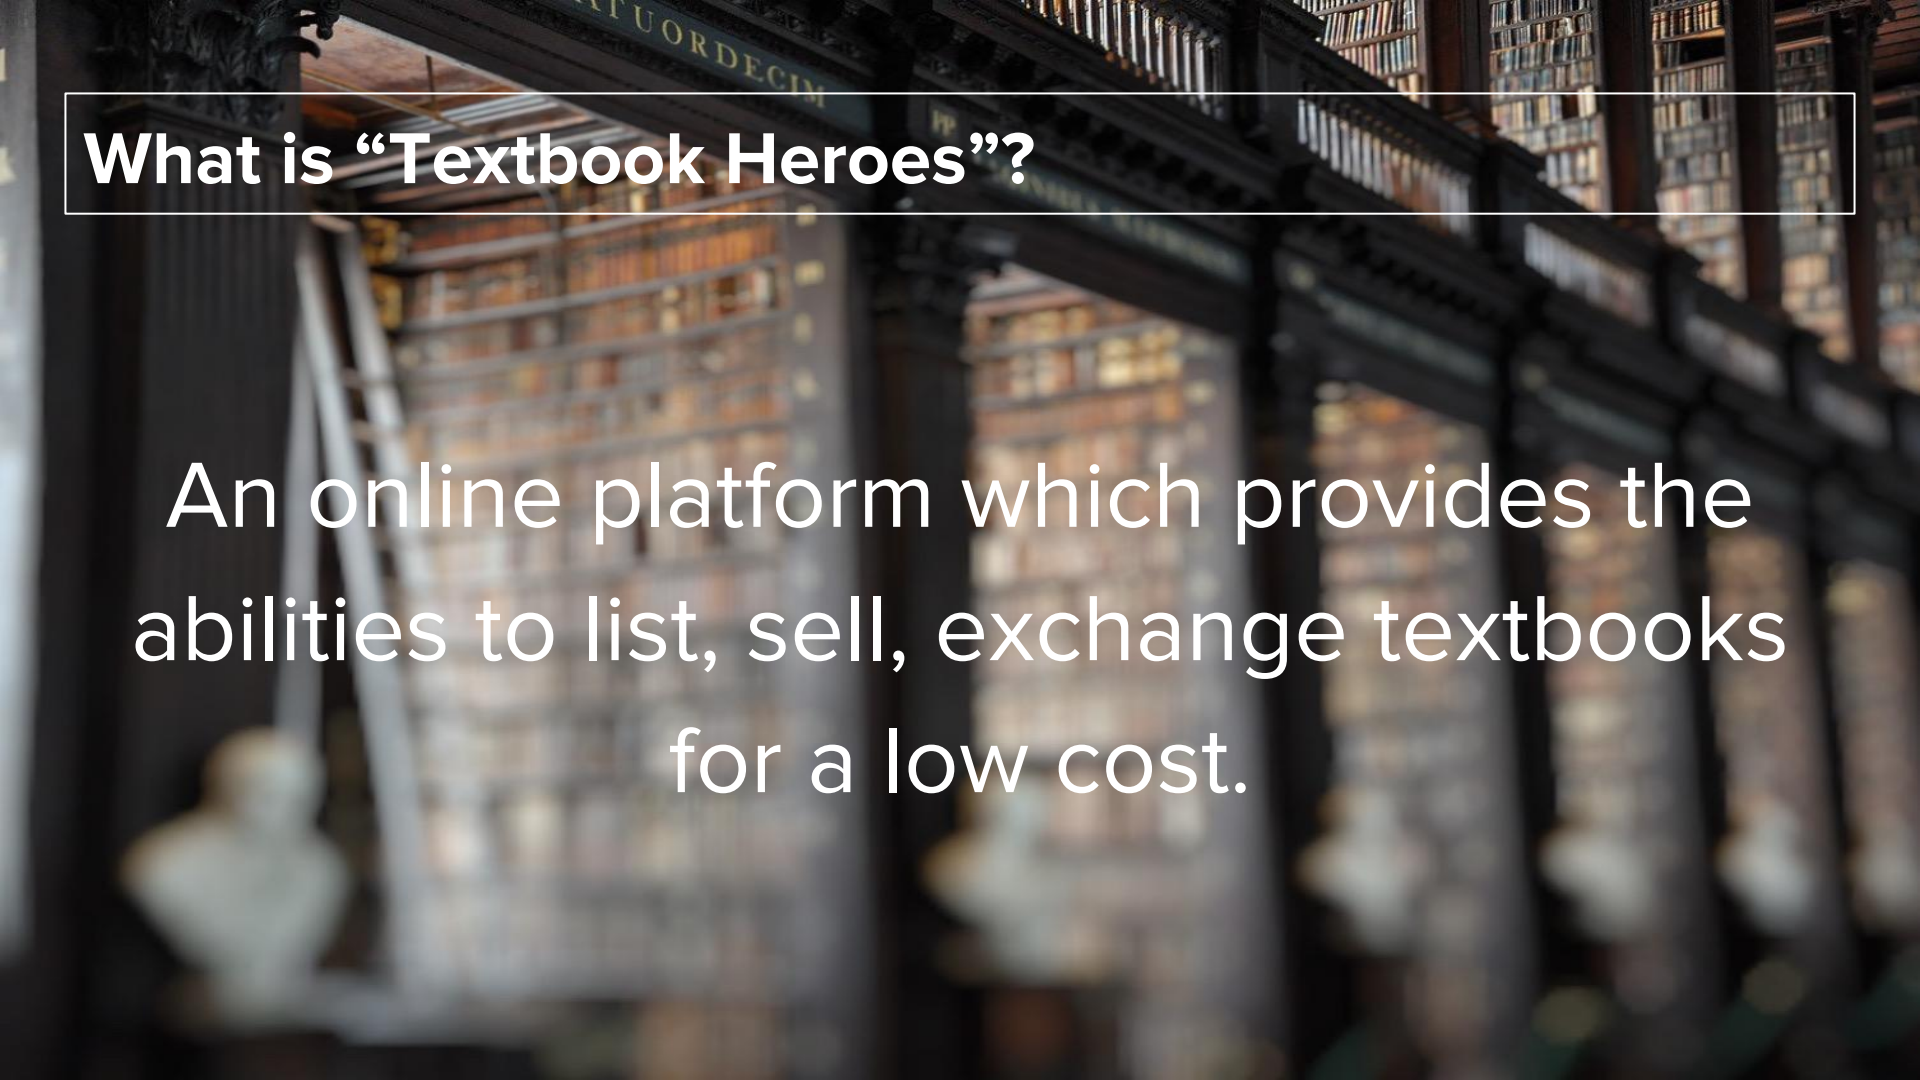
Bryan Uribe



What is “Textbook Heroes”?

An online platform which provides the abilities to list, sell, exchange textbooks for a low cost.

Biggest Challenges

- Learning React for some of us
- Find pesky bugs

Biggest Accomplishments

- Getting authentication to work finally
- Getting 95% of our user stories implemented

What did we get done? What isn’t done?

What we didn’t get done?

- Adding more info to the profile

What we did get done?

- Everything else!!

Does it look gorgeous?

- Yesssssss

What did we LIKE <3 ?

- Everyone made it to the meetings
- For the new ones, learning new wireframe
  React
- Designing
- Having funnn!!!

What did we NOT LIKE :(?

- Some miscommunication with team members which branch to work off

What did we LIKE about SCRUM?

- Kept us on our toes
- Kept us focused on individual User stories rather than trying to do everything @ once

What did we did NOT LIKE about SCRUM?

- Difficult to estimate story points
- Meet TA once a week not all of us have flexible schedules
- TSR Reports
